# Kishor Kumar

926-794-7961 | Kishork644@gmail.com | linkedin.com/in/kishork644 | github.com/kishorkumarfamous

## SUMMARY

Experienced, self-motivated professional with 1 years of Spring Boot and tech expertise. Skilled in independent learning, mentoring, problem-solving, and adapting to changing needs. Dedicated to delivering impactful results and staying current with industry trends.

## TECHNICAL SKILLS

**Programming Languages**: Core Java ,J2EE, java8( Stream API , Lamda, Method Referrence), MySQL Database,SQL Server

**Frameworks**:SpringBoot,Spring-Mvc,Spring-Security,JPA,Hibernate,JWT,SWagger

**Libraries & Tools**: Intellij Idea,Eclipse,Postman,Github

**Soft Skills**: Adaptability, Problem solving,Creativity,Critical Thinking

## EXPERIENCE

**Java Developer**                                                                                          Mar 2022 – April 2023
*Arigen Technology*                                                                                              *Noida sec-62*

**Roles and Responsibilities:**

• Designed, developed, and maintained efficient, reusable, and reliable Java code.

• Developed the service layer to act as a bridge between the presentation layer and data access layer using the Spring Boot framework.

• Implemented MVC design patterns to enhance the performance and maintainability of the applications.

• Utilized Java 8 features such as Stream API and Lambda expressions to improve code efficiency.

• Developed and maintained RESTful APIs to support various client-side functionalities.

• Collaborated with cross-functional teams to define, design, and ship new features.

• Conducted code reviews and provided constructive feedback to improve code quality and team productivity.Performed unit testing and debugging using JUnit to ensure high-quality software delivery.

## PROJECTS

**NAPR(Noida Authority Pet Registration)**                                                  Mar 2022 – April 2023

• **Project Overview**: Developed a comprehensive mobile and web application for registering pets like dogs and cats for the Noida Authority, maintaining their vaccination records and medical history. Generated registration certificates, facilitated vaccination bookings, and scheduled doctor appointments.

**Key Responsibility**

• Designed and implemented RESTful APIs using Spring Boot to handle pet registration, vaccination booking, and medical record management

• Integrated MySQL database for storing pet information, vaccination schedules, and medical records.

• Implemented Spring Security and JWT tokens for secure authentication and authorization of users

• Developed modules for generating and managing pet registration certificates.

• Ensured data consistency and reliability through effective JPA and Hibernate integration.

• **Technologies Used:** Java 8, Spring Boot, MySQL, JPA, Spring Security, JWT, IntelliJ IDEA, Postman.

• **Achievements:** Successfully deployed a robust and user-friendly system, reducing manual paperwork and improving pet registration and record-keeping efficiency.

**Blogging APis** <span style="float:right">Mar 2022 – Aug 2022</span>

**Key Responsibility**

• Designed and implemented RESTful APIs using Spring Boot for user authentication, blog post creation, and commenting functionality.

• Developed a dynamic blogging platform allowing users to create, view, and comment on blog posts with multimedia content.

• Utilized MySQL for efficient data storage and retrieval of blog posts, user comments, and media files

• Handled file uploads and media management, enabling users to attach multiple images to their blog posts.

• Used Swagger for API documentation, facilitating easy understanding and integration of APIs by other developers.

• **Technologies Used:** Java 8, Spring Boot, MySQL, JPA, Spring Security, JWT, Swagger, IntelliJ IDEA, Postman.

## EDUCATION

**Dr A.P.J Abdul kalam Technical University** <span style="float:right">Lucknow, UttarPradesh</span>
*M.C.A(Master of Computer Application)* <span style="float:right">*Aug 2019 – Aug 2021*</span>

**IMSUC(Institute of Management studies University Courses campus)** <span style="float:right">Ghaziabad, U.P</span>
*B.C.A(Bachelor of Computer Application)* <span style="float:right">*Aug 2016 – jun 2019*</span>

## CERTIFICATIONS

• JAVA Certification from Appsquad Noida,Sec-63
